Pick Up

Van is clean, bed made & ready to go from Camp Jordan

Fuel

Please return with diesel topped up to the same level as pick-up

Payments

Contact Ainsley for all booking & payment enquiries

Good to Know

A light clean on return is appreciated — the Camp Jordan team will do the full clean for the next guests.

The van has an on-board bathroom, though many guests prefer to use caravan park facilities.

No need to wash the bedding — just strip it off the bed and leave it, our team will launder everything.

The Camp Jordan team ensures the van is spotless and fully set up before every hire.
